Thanks for the clarification Tom.

Sorry, that was my sloppy conflation of two different conversations. The accurate statement is that the NGOs did in fact, in the email I had attached, ask for a meeting specifically with the RA. The second request came in by phone from the Board's counsel to Laurie Kermish in our office, and asked for a meeting or call with EPA. But I don't think the Board's counsel was specifically asking to meet with the RA.

I already exchanged messages with John Kemmerer to clarify who was asking for what. I will also check in with Laurie Kermish when she is in on Monday to see whether there are any outstanding meeting or call requests from the Board's counsel.
